Review Summary

- Abdul Rahman Kanoo International School has robust procedures in place to uphold students' academic achievement and well-being.
- The school's strong academic foundation and committed leadership team contribute to a positive overall educational experience with a remarkable personal development.
- Arabic language lessons need to be further enhanced through more effective teaching methods and higher expectations to ensure students achieve targeted standards.
- The school needs to ensure further that all students' academic needs are met by providing them with more specific feedback and support based on assessment data.
- To support its ongoing efforts to create an inspiring learning environment, the school aims to foster a stronger partnership with parents.
- The school is 'Good' when reviewed and will draft an Action Plan based on the review recommendations.
